

Parking Issues Working Group

Aims and objectives

- To achieve greater awareness and responsibility by parishioners and others in observing parking regulations in the parish
- We will work in partnership with local businesses, schools and other bodies to encourage compliance and reduce the danger caused by illegal parking

Membership

- Council members to be agreed by the Planning and Projects Committee. The Working Group may invite non councillors onto the Working Group if their knowledge and expertise would be beneficial to the Working Group.

Meetings

- To meet as and when is necessary

Decisions

- The Working Group is working in an 'advisory' capacity only and is to report back to the Planning and Projects Committee
